The Beacon Street Rowhouse
2 Bedroom, 2.5 Bath, 1 Car Garage
By Touchstone Builders

These stately brick rowhouses showcase double bay windows and terraced front garden courtyards. Comprising an average of 1,435 heated square feet, each Beacon Street Rowhouse is well-appointed with hardwood flooring, custom cabinetry and extensive trim. Beacon Street is centrally located in the Village near shopping, restaurants & the YMCA. Presells are now underway for late Summer 2008 delivery.
